The administration will make a request for competitive bids for all eligible goods and services for which Universal Service Fund support will be requested and comply with applicable State and local procurement processes included in documented policies.

The administration will wait at least four weeks after the posting date of the FCC Form 470 on the USAC Schools and Libraries website before making comments with the selected service providers.

The administration will consider all bids submitted and select the most cost effective service offering with price being the primary factor considered.

The administration will control the competitive bidding process by not surrendering control to a service provider who is participating in the bidding process and not including service provider contact information on the FCC Forms 470
