Each year this school district will give public notice of the categories of information that it considers directory information regarding students in the district. This notice will include a statement notifying parents whether or not the categories set forth as directory information may be used on a school-authorized Internet web page. If the district chooses to use student directory information on its Internet web page, this will be specified in the annual notice. This notice will also include a disclaimer to the effect that the school district shall not be responsible for the posting of any student information on any Internet web page not authorized by the Welch Public Schools Board of Education.

The school will allow ten days from the date of such public notice for parents to inform the superintendent in writing of specific directory information pertaining to such student that should not be released without prior consent of the parents. If the school has notified the parents that it intends to use the directory information on a school-sponsored Internet web page, the parents shall be allowed to object to the use of their child's information on the Internet web page, yet still consent to the school's use of their child's information in other formats. If the parents provide no objection within ten days of the official notification, the information will be classified as directory information until the beginning of the next school year.

This school district will maintain and release "directory information" without the parent's prior written consent, unless the parent – or student if over 18 – informs the district that any or all of the following information should not be released without prior consent.

The following information is designated as "directory information":

Electronic mail address;

Dates of attendance, dates of enrollment, withdrawal, re-entry;

Diplomas, certificates, awards, and honors received;

Most recent previous educational agency or institution attended by the student.
