Welch Public Schools

“Through the cooperative commitment of the family, community, and school, students will become knowledgeable, ethical, and successful contributors to society.
“Creating a future worthy of our past.”

Learner Expectations

Welch Public Schools expects the graduates of 2029 to possess...

- Effective communication
- Critical thinking
- Life skills
- Mastery of core content
- Organization, goal setting, time management skills
- Creativity
- Collaboration skills
- Use of technology skills
- Financial skills
- Conflict resolution skills

By providing students with a globally and culturally aware learning experience, Welch Public Schools will help prepare productive citizens that are college and career ready.

Core Beliefs

Welch Public Schools believes that to realize their expectations for graduates, teaching and learning should provide...

- Opportunities for family support/engagement
- Creativity/innovation
- Relevant content
- Opportunities for collaboration
- College/career readiness
- Basic skills
- Community support
- Acknowledgement of student strengths/weaknesses
- Community service opportunities
- Counseling
- Student use of technology
- Enrichment
- Locate, evaluate, use information

This type of teaching and learning, when combined with early learning, family support, and opportunities for remediation and enrichment, will prepare lifelong learners in a global society.

Core Values

In order to ensure quality teaching and learning, Welch Public Schools values....

- Respectful/nurturing environment
- Quality teachers
- Strong leadership
- Quality programs
- A safe environment
- Up to date technology
- Buildings/grounds
- Parental involvement
- School/community connections
- Adequate financials
- Innovative teaching
- Adequate class size
- Competitive salaries

By upholding these values and providing competitive salaries and quality professional development for teachers, Welch Public Schools will meet the diverse needs of students in a student-centered learning environment to promote yearly academic progress.
